7 UNITED STATES DISTRICT COURT  
8 WESTERN DISTRICT OF WASHINGTON  
9 AT SEATTLE

10 CAROL JONES,

11 Plaintiff,

12 v.

13 TODD SLADE, et al.,

14 Defendants.

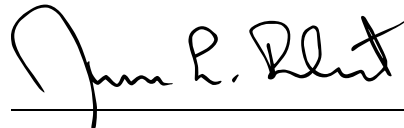

CASE NO. C17-0680JLR

ORDER DENYING JOINT  
MOTION FOR STIPULATED  
PROTECTIVE ORDER  
WITHOUT PREJUDICE

15 Before the court is the parties' stipulated motion for a protective order. (Stip. Mot.  
16 (Dkt. # 10).) The parties, however, fail to comply with Local Rule LCR 26(c)(2). *See*  
17 Local Rules W.D. Wash. LCR 26(c)(2). Pursuant to this rule, "[p]arties are encouraged  
18 to use this district's model protective order, available on the court's website," but those  
19 "[p]arties that wish to depart from the model order must provide the court with a redlined  
20 version identifying departures from the model." *Id.* Here, the parties appear to use the  
21 model protective order as a basis for their filing, but they fail to provide the court a  
22 redlined version as required under the local rules. Accordingly, the court DENIES the

1 parties' stipulated motion for a protective order (Dkt. # 10), but without prejudice to re-  
2 filing in a manner that comports with the court's local rules.

3 Dated this 10th day of October, 2017.
